JOURNAL OF THE HOUSE.

Thursday, March 30, 2017.

Met according to adjournment at eleven o'clock A.M., in an Informal Session, with Mr. Donato of Medford in the Chair (having been appointed by the Speaker, under authority conferred by Rule 5, to perform the duties of the Chair).

Prayer was offered by Father Rick Walsh of the Paulist Center of Boston, Chaplain of the House, as follows:

Loving God we give You thanks this day for the many gifted persons who make this seat of government their workplace. We thank You for those native sons and daughters who have served our nation during times of danger and uncertainty.

Prayer.

We remember that today marks the birth anniversary of McGeorge Bundy who was born in 1919 and was raised a few blocks from this State House. In 1961 he became President Kennedy's National Security Adviser and was involved in major moments of world tension including the Cuban Missile Crisis. Few persons are given the important responsibility to oversee the security of this nation.

We pray for those who hold such important positions in the international and national arenas today as well as for those who provide security for the citizens of Massachusetts including the DCR Park Rangers.

May God continue to bless our Commonwealth.

At the request of the Chair (Mr. Donato), the members, guests and employees joined with him in reciting the pledge of allegiance to the flag.

Senator Anne M. Gobi entered the House Chamber, accompanied by four Department of Conservation and Recreation State House Rangers, led by Captain Stephen Owens. The Rangers stood at attention in front of the rostrum, while Senator Gobi stood solemnly in the well of the House.
